- Company Certification – DUNS# 080690820

■ COMPANY OVERVIEW

Innovation Consultant and Network Solutions is a company of diverse, industry experts that exceeds expectations by delivering efficient, first-rate solutions in the areas of IT, facilities, administrative, management and sports and recreational support.

Our more than a decade of experience providing superior support services means we complete the project better than anyone else. We strive to constantly improve and provide a supportive environment, to strengthen our team and be the strongest consultants for our clients.

Our flexible, efficient approach to projects provides our Government customers real solutions and the best results.

Denise Monroe is the CEO of Innovation Consultants and Network Solutions and the foundation of the company's focus and mission. With 20 years of experience and a graduate of Troy University, Denise's management and leadership style inspires collaboration and strong relationships resulting in efficient projects that exceed clients' expectations.
